

(1)

A hand-drawn sketch of a login form on lined paper. At the top left is a hamburger menu icon. To its right is a circular profile picture placeholder. Below these are two input fields: the first is labeled 'Name' and the second is labeled 'Pass'. Below the 'Pass' field is a link labeled 'Forgot Password'. At the bottom are two buttons: 'Register' (highlighted in orange) and 'Log in' (highlighted in yellow).

(2)

A hand-drawn sketch of a registration form on lined paper. It features four input fields stacked vertically, labeled 'Name', 'Email', 'Number', and 'Pass'. At the bottom is a single button labeled 'Register' (highlighted in orange).

(26)

A hand-drawn sketch of a mobile application interface. At the top, there is a header bar with a circular icon on the left and the text 'Shop Keeper Deliner Order list' in the center. Below the header, there is a table with the word 'list' written above it. The table has three columns and five rows of data, represented by horizontal lines. The entire interface is enclosed in a rounded rectangle.

(25)

A hand-drawn sketch of a mobile application interface. At the top, there is a header bar with a circular icon on the left and the text 'Shop Keeper Order detail' in the center. Below the header, there are four horizontal lines representing data. At the bottom, there is a button labeled 'Cancel Order' inside an oval. The entire interface is enclosed in a rounded rectangle.

Cancel Order

23

A hand-drawn UI sketch for a 'Shop Keeper' interface. It features a header bar with a circular icon on the left and the title 'Shop Keeper' on the right. Below the header, there are two input fields labeled 'Name' and 'Quantity'. Underneath these fields are three horizontal lines representing a list. At the bottom of the interface is an oval button labeled 'update'.

24

A hand-drawn UI sketch for a 'Shop Keeper' interface with the title 'View order'. Below the title is a section labeled 'Order'. This section contains two rows of data, each with three horizontal lines for text and two buttons. The buttons are labeled 'accept' (highlighted in green) and 'cancel' (highlighted in red). The entire interface is enclosed in a rounded rectangle with a header bar.

(16)

A hand-drawn sketch of a mobile application interface. At the top, there is a header bar with a hamburger menu icon on the left and the title 'Medical Report' in the center. Below the header, there are several horizontal lines representing a list of items. At the bottom of the screen, there are two buttons: one labeled 'update' and another labeled 'delete'.

(17)

A hand-drawn sketch of a mobile application interface, similar to the one above. It has a header bar with a hamburger menu icon and the title 'Medical Report'. Below the header, there is a table with the title 'Report' and a header row with 'Detail'. The table has several rows, each with a '#' column and a 'Detail' column. To the right of the 'Detail' column, there are two buttons: 'update' and 'delete'. At the bottom of the screen, there is a button labeled 'Add'.
